Sub: Online study materials for students during lock down period
Let COVID 19 not stop learning of our students

Dear Students and Teachers,

As we jointly combat COVID 19 by taking preventive and precautionary measures, maintaining social distancing and staying in the confines of our homes, we can utilize the time productively by engaging in On-Line Learning. There are several ICT initiatives of the MHRD, UGC, IUCs, INFLIBNET, CEC in the form of digital platforms which can be accessed by our teachers, students for broadening their horizon of learning.

All teachers are requested to prepare e content (preferably .pdf files) of their lecturers as per syllabi and to circulate those materials among their students. There are several methods to circulate those materials i.e. in college web site / Google Classroom app (Free app from google play store) or any other online class platform in which they fill convenient. **Please give preference for Semester VI & Semester II classes as very urgent at this moment.**

All teachers are at liberty to contact Dr. Atanu Nandy, Deptt of Physics through email id- atanunandy1989@gmail.com. for any type of query in this regard. I hope, we must achieve our victory against COVID 19 with the help of all.

With best wishes and regards.

Dr. Supriyo Chakraborty
Principal, Kulti College
